## Selecting New Elders

Christ is the Lord and King of the church. Our goal in selecting elders is to bring honour, glory and praise to Jesus Christ. Leaders, like the members of the congregation, must be people who rely on the grace and mercy of Christ. Be wise and be prayerful as you make your choice and over the coming months we will reflect on the role and character of an elder.

Here is the section from the Code of our church that outlines the qualifications and duties of ruling elders:

*"The duty of ruling elders as members of Kirk Session is to work together with the minister in the oversight and government of the congregation, for the upbuilding of God's people in spiritual fruitfulness and holy concord, and for the extension of Christ's kingdom among humanity.*

*Ruling elders, by their calling, share equally with ministers in responsibility for practical witness both within the congregation and in the wider world. In the discharge of her/his duties each elder should be assigned a district or special responsibilities within the congregation in which s/he may more particularly represent the Kirk Session by visitation, private counsel and report. "To be chosen for the office of the eldership in a congregation a person must be a voting member of that congregation and a regular attender on its ordinances. S/he should be circumspect and exemplary in his conduct, both in the Church and in the world, of acknowledged piety, endeavouring to maintain the worship of God in her/his family and held in esteem by the people. Women are eligible for election on the same conditions as men."*
